SUNY MORRISVILLE
MAC
AUXILIARY CORPORATION

I'M JENNIE BOWDEN, Executive Director of Morrisville Auxiliary Corporation (MAC). On behalf of everyone on the MAC team and the MAC Board I'd like to extend an excited and heartfelt welcome to you as you embark on your college journey here at SUNY Morrisville. We wish you luck and success, and hope to provide you some relief from the daily grind through our many "comforts of home" services. The next few pages will

introduce you to some of our services. We look forward to seeing you on campus!

MEAL PLANS

All students living on campus are required to have a meal plan. Meal plans consist of a weekly allotment of **MEAL SWIPES** (also called **BOARDS**) and a set amount of **DINING POINTS** for the semester. Purchases are non-taxable and non-refundable. Meal Plans are not available during academic breaks. More information can be found at morrisville.edu/costs-aid/meal-plans.

MEAL SWIPES are simple; 1 Swipe = 1 Meal at an on-campus dining facility or Copper Turret.

DINING POINTS is a declining balance of additional dollars to spend on food purchases at MAC locations. Some locations accept both Swipes and Dining Points.

CAMPUS CASH

Campus Cash is a self-funded debit account encoded on your Morrisville ID. Campus Cash can be used at MAC locations including Campus Stores, select vending machines, dining locations, and other off-campus merchants. Purchases are taxable and balances are refundable at the end of the academic year if requested. Learn more at morrisville.edu/campuscash.

Download the **Transact eAccounts app** to manage your meal plan right at your fingertips. Scan the code to download the app (Android or iOS).

TRANSPORTATION

Morrisville Area Xpress (MAX), is a campus shuttle service specifically designed to support the commuting needs of the SUNY Morrisville community. This shuttle provides transportation around campus, to popular shopping centers, malls, and recreation and entertainment outlets. We also offer "Rides for Residents" (transportation to urgent, but non-emergency appointments with health care providers), and evening transportation five nights a week. Service runs throughout the academic year, except during college breaks and holidays. All trips are funded by SUNY Morrisville's Transportation fee. For current campus maps and schedules, visit morrisville.edu/max.

Market24 machines accept credit card, Dining Points, and cash, while our vending machines accept cash or Campus Cash.

COLLEGE ID SERVICES

Every student receives a SUNY Morrisville photo ID that you'll use to enter your residence hall, pay for meals using your meal plan, Dining Points, or Campus Cash, as identification for admission to campus functions and checking out materials from the Campus library, and more.

College ID Services is located in the Campus Store.
